DeJahn Plumbing offers exceptional plumbing services including water heater installation, leak repair, finish basements, and water softener installation. Our team has the expertise and experience to provide the highest quality service with competitive pricing. Contact us today for any plumbing needs you may have.

Your Water Heater Experts

At DeJahn Plumbing, we specialize in water heater installation and repair services. Whether you need a new water heater installed or you're having issues with your existing one, we've got you covered. Our experts will ensure that your water heater is functioning efficiently, saving you money on your energy bills.

Water Heater Installation

Our professionals can install any make or model water heater.

Water Heater Repair

We'll diagnose and fix any issue with your water heater quickly and efficiently.

Water Heater Replacement

If it's time for a new water heater, we'll help you choose the best one for your home.

Leak Detection and Repair

Don't let water leaks cause damage to your home. Our team can quickly identify and repair any leaks.

We pride ourselves on our attention to detail and will ensure that your home is leak-free. Reach out to us today to schedule a service call.

Thorough Inspections

We'll perform a comprehensive inspection to locate hard-to-find leaks.

Repair Services

We'll repair any leaks quickly and efficiently to prevent further damage to your home.

Preventative Maintenance

Let us help you avoid leaks with regular inspections and maintenance.

Water Softener Installation

Hard water can cause damage to your plumbing, appliances, and more. Our professionals can install a water softener to eliminate these issues. We'll recommend the best water softener for your needs and ensure that it's installed correctly and efficiently.

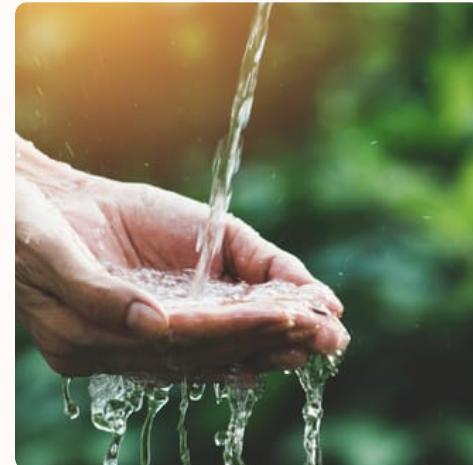

Expert Guidance

Our team will help you choose the best water softener for your needs.

Efficient Installation

We'll install your water softener quickly and efficiently with minimal disruption to your home.

Improved Water Quality

Enjoy clean, softened water throughout your home with a new water softener installed by us.

Professional Basement Finishing Plumbing Services

Adding a bathroom or wet bar to your finished basement? Trust DeJahn Plumbing to provide top-quality plumbing installation services. We bring the same commitment to excellence to basement plumbing work that we do to all our jobs.

1 Expert Design Assistance

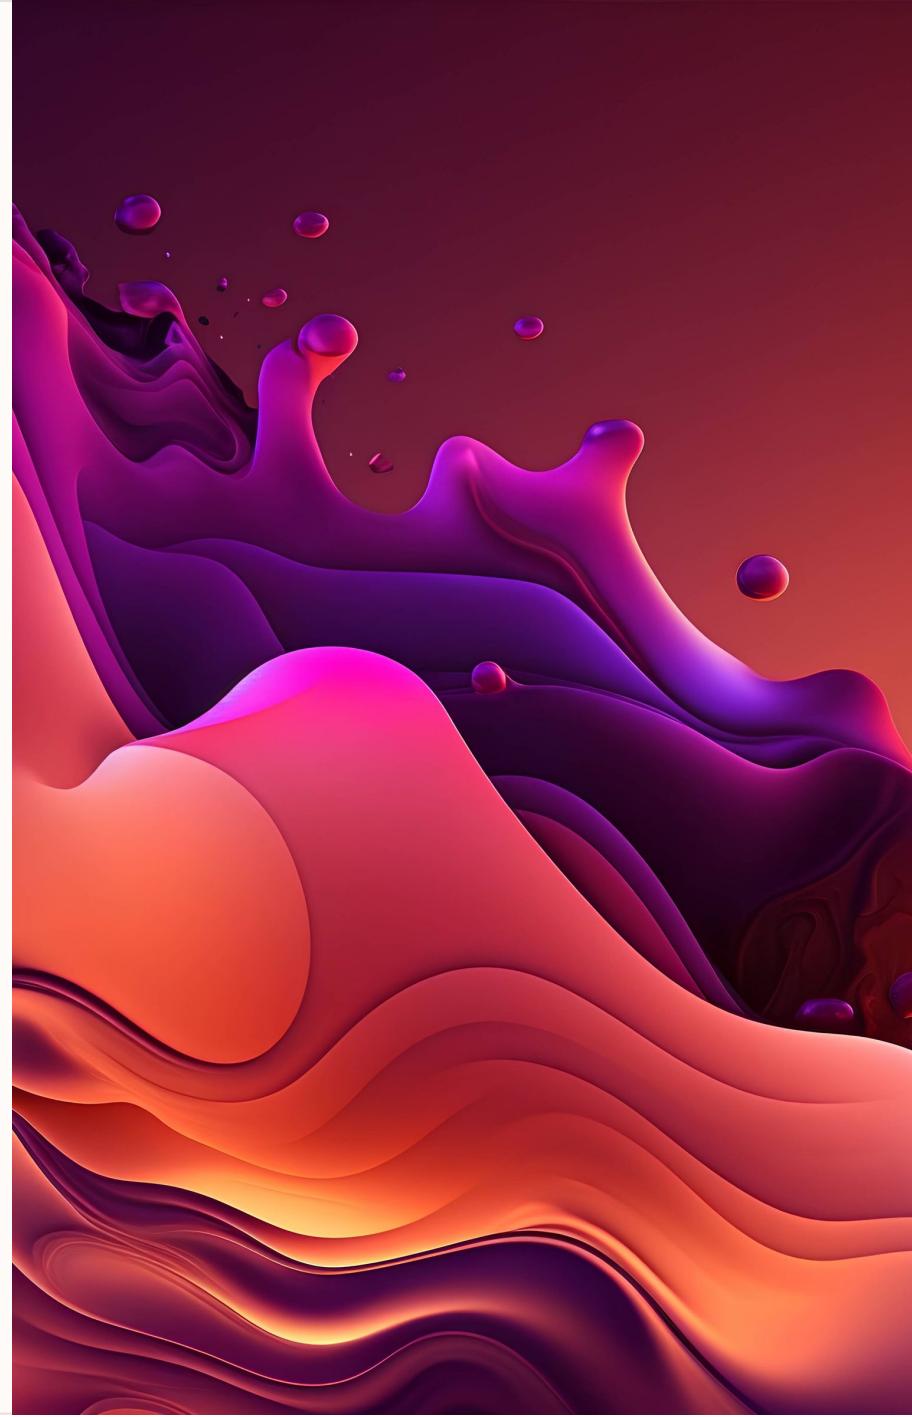

We'll help you design the perfect plumbing setup for your new finished basement.

2 Efficient Installation

We'll install your new basement plumbing quickly and efficiently.
